July Meeting

I was recently listening to a radio host who was asking why he should vote in the runoff because he didn't like either candidate. I cannot understand why anyone would miss an opportunity to voice their opinion **and** exercise their precious freedom to vote. There are no perfect people therefore no perfect politicians. However, as Americans celebrate the 4th of July as Independence Day, we need to be encouraged to participate in the government process we have and hold elected officials accountable. Be informed, Be involved, Be willing to stand for your principles and thank God for this country. Bruce Burrows is our speaker this month. He is well qualified to speaker to us about the history of our nation and especially the NEW DEAL of FDR and comparing it to the NEWER DEAL of Obama. You will be fascinated with his presentation and enthused to study and keep abreast of national issues and how you are affected by them and also what a citizen can do to help this country.

BRING FRIENDS AND SPOUSES

In God We Trust!

Republican Women of Tuscaloosa County

Begin to think about our Fall emphasis on membership drive in September. Elois will bring us up to date on the plans. We really need about 20 members to pledge to buy 4 tickets so that we have our major expenses met.

August meeting—Richard Rhone will come to life as one of our Founding Fathers

We will keep you posted about the GOP Headquarters and volunteer opportunities

Our Grassroots Committee is actively meeting and planning some exciting book reviews and campaigning strategies for November. We want to take back our Legislature in 2010. "136 Years is Enough" is the battle cry for our Party.

Remember to be active in local government meetings that are open to the public—that's YOU!!
